

## Notice of archaeology works at vent shaft site, Little Missenden

January 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

### Notification

High Speed Two (HS2) is the new high speed railway for Britain. As part of HS2's continued programme of surveying works in your local area, we have already carried out geophysical surveys to identify areas of possible archaeological interest. The next steps of our archaeological investigation work will involve excavating trenches and recording any finds.

The site is located off the A413 as shown in red on the map overleaf. These works will start on 3 February 2020 and be completed by the middle of March 2020.

### What will we be doing?

We will begin archaeological investigations in the area shown on the map below. These works enable a greater understanding of significant archaeology in the area. The works require the excavation of 22 trenches. Once the work is complete, the trenches will be backfilled. The digging and investigations are carried out by teams on site with supervision staff visiting the site to ensure the works are progressing safely.

### How may this affect you?

Traffic management will be in place for the duration of these works. There will be a single lane closure on the A413 (between the purple points as shown on the map overleaf) and a 40 mile per hour speed restriction.

We will be working hard to ensure any impacts on residents are kept to a minimum during these and future works. There will be a visible increase in site vehicles during the set up and closing down of the works.

There may be some noise from the machinery, which will be restricted to running between the hours of 8am to 6pm Monday to Friday. There may be occasional weekend working subject to local authority consent. Updates will be shared on [www.hs2inbucksandbox.co.uk](http://www.hs2inbucksandbox.co.uk)

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

The works will start 3 February and be completed by mid March 2020

Normal working hours are Monday to Friday 8am to 6pm. Our contractor will be on site for start-up and shut down for one hour either side of these times

### What to expect

Some additional traffic on local roads. Some noise from equipment used for these works. Site storage and welfare vehicles. Site manned with 24-hour security and temporary flood lighting

### What we will do

Manage any impacts, such as traffic and noise with the aim of reducing them

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
